

## *American Literature For Christian Schools Answer Key*

### **American Literature For Christian Schools**

American literature is literature written or produced in the United States of America and its preceding colonies (for specific discussions of poetry and theater, see Poetry of the United States and Theater in the United States). Before the founding of the United States, the British colonies on the eastern coast of the present-day United States were heavily influenced by English literature.

### **American literature - Wikipedia**

African-American literature is the body of literature produced in the United States by writers of African descent. It begins with the works of such late 18th-century writers as Phillis Wheatley. Before the high point of slave narratives, African-American literature was dominated by autobiographical spiritual narratives.

Harlem Renaissance - Visual art: Visual artists of the Harlem Renaissance, like the dramatists, attempted to win control over representation of their people from white caricature and denigration while developing a new repertoire of images. Prior to World War I, black painters and sculptors had rarely concerned themselves with African American subject matter.
