Explore the forces at work when pulling against a cart, and pushing a refrigerator, crate, or person. Create an applied force and see how it makes objects move. Change friction and see how it affects the motion of objects.

Forces and Motion: Basics - Force | Motion | Friction ...

Why is it so difficult for people to accept that dinosaurs and humans once lived together? No doubt one of the reasons is due to the fact that for many years, we have been inundated with information—on television, in books, in classrooms, in movies, in magazines, and on all sorts of paraphernalia—suggesting that dinosaurs and humans are separated by 60+ million years of geologic time.
