### **Dealing with Difficult People - ACIM Solutions**

Although many people equate assertive communication with conflict and confrontation, assertiveness actually allows people to be closer. ... Learning to speak assertively enables you to respect everyone's needs and rights--including your own--and helps you to maintain boundaries in relationships while helping others feel respected at the same time.

### **Learn Assertive Communication In Five Simple Steps**

People develop different styles of communication based on their life experiences. Your style may be so ingrained that you're not even aware of what it is. People tend to stick to the same communication style over time. But if you want to change your communication style, you can learn to communicate in healthier and more effective ways.

### **Being assertive: Reduce stress, communicate better - Mayo ...**

Some people find the giving and receiving of compliments difficult or embarrassing, and may feel the need to either shrug them off or return them. Complimenting is a positive way of giving support, showing approval and increasing the other person's self-confidence. Learning to both give and accept them gracefully is an important life skill.

This is an interactive course which covers the why, what and how of dealing with difficult behaviour. You'll learn through a variety of methods including:

### **Dealing with Difficult People Course | CCE**

Every interaction is at least two-way, and learning how to deal assertively with others' non-assertive behaviour is an important skill. The temptation is to respond aggressively or passively to other people's passive or aggressive behaviour. This may be particularly the case if they make you angry.
