Parents: Monitor the amount of time and the time of day your children spend playing video games and using technology. Caution: Technology use can have negative affects on the body, and may affect sleep and concentration. Dunckley (2011) indicated when video games and electronic devices are used in the dark, the unnatural brightness of the screen inhibits the body from producing melatonin, the ...

Morphemic. Morphemic (or meaning) spelling knowledge is developed by studying morphemes, the smallest linguistic units that have meaning in a word. Morphemes include prefixes, roots and suffixes. Studying morpheme patterns can greatly expand a student's spelling knowledge by enabling him to create various forms of a word.
