Reading isn't really reading if students don't understand what they have read. Many struggling adolescent readers can recognize and pronounce words from print, but cannot understand or answer questions about what they have just read. This section includes information on methods to improve students' comprehension.

Comprehension | Hot Topics in Adolescent Literacy | AdLit.org

Literacy is a fundamental skill that unlocks learning and provides individuals with the means to pursue knowledge and enjoyment independently. Literacy skills need to grow and mature over the course of every person's life, giving each individual the reading, writing and thinking skills needed for success in academic, workforce and personal situations.
