There's no such thing as a free lunch. It's one of the saddest facts in my life, right up there with my insane student debt and the realization that Taylor Swift will probably never talk to me. Maybe cost is why only just over half of sales reps we surveyed use a CRM, which often cost more than ...

The 8 Best Free and Open Source CRM Software Solutions ...

Project management is the practice of initiating, planning, executing, controlling, and closing the work of a team to achieve specific goals and meet specific success criteria at the specified time.. The primary challenge of project management is to achieve all of the project goals within the given constraints. This information is usually described in project documentation, created at the ...
