BEING INFOSYS.BEING MORE. We inhabit a universe where time and space bend and stretch continuously. For us, the year in which we celebrated the 100th anniversary of the Theory of General Relativity itself appeared to warp, and passed by much too quickly.

BEING INFOSYS. BEING MORE.

This course builds on and explores the topics covered in COMPSCI 351. Students are required to attend lectures and complete the coursework for COMPSCI 351. They are additionally required to produce a substantial report in a topic proposed by the course coordinator. This course is managed with CANVAS. Course Outline 2017.
