BEST ANSWER: I would say it depends on a couple of things. First - if this is an antique it might hurt the value to replace brass etc. Second - if they are held on with screws, can you remove them. If not, do the holes in the new corners line up with the old ones? If they are different, then it ...

Many types of wrestling matches, sometimes called "concept" or "gimmick matches" in the jargon of the business, are performed in professional wrestling. Some of them occur relatively frequently while others are developed so as to advance an angle and such match types are used rarely. Because of professional wrestling's long history over decades, many things have been recycled (many match types ...
