### Living Environment: Science Regents Examinations: OSA: P-12: NYSED

In New York State, Regents Examinations are statewide standardized examinations in core high school subjects required for a certain Regents Diploma to graduate. To graduate, students are required to have earned appropriate credits in a number of specific subjects by passing year-long or half-year courses, after which they must pass at least five Regents examinations in some of the subject areas.

Scientology is a body of religious beliefs and practices launched in May 1952 by American author L. Ron Hubbard (1911-86). Hubbard initially developed a program of ideas called Dianetics, which was distributed through the Dianetics Foundation. The foundation soon entered bankruptcy, and Hubbard lost the rights to his seminal publication *Dianetics: The Modern Science of Mental Health* in 1952.
