The correct answer is (3). Many students will select answer choice (4) because they see the expected words: "Void a few drops, then stop; continue voiding." Be careful. This question is a good example of why scanning for expected words could get you into trouble. You may see expected words in an answer choice that is not correct.

Having done the Kaplan test prep and predictor tests myself, I can tell you that you want to stick with as many Kaplan resources as possible. I hate to say it, but content and what is more emphasized can change from vendor to vendor. Let me be clear that I don't work for Kaplan, nor do I hold them in any kind of high esteem.
