☐☐ denotes the best performing model for each metric on the hidden test set. The rank is determined by sorting by the minimum rank of the score in any of the three metrics, where ties are broken by considering the second (and then third) smallest ranks. The ☐☐ teams have made it to the next round (top 3 in each metric).

What's New. New Route: A 52 mile route that starts at 10:00 AM and follows the second loop of the century ride. The second loop roads through Pozo are some of our favorites and provide a challenging and beautiful ride that is an excellent alternative to our great Metric Century.

Wildflower Century - SLOBC

- When you go to generate new ideas to run things better you need to think critically about the way your business runs. I like to look at three things, a business model blow-up, a revenue blow-up, and a cost blow-up. On the business model blow-up, fundamentally rethink about how you go to market. Even rethink what your market actually is.
