### **Yes Marketing | Multichannel marketing solutions and services**

To have success in multichannel marketing, or any other digital marketing, efforts, companies aim to devise campaigns that span multiple channels easily. Since expecting customers to adapt to the company's preferred channel is an unrealistic hope, companies cater to the customer and tailor campaigns to fit multiple channels.

### **What is multichannel marketing? - Definition from WhatIs.com**

We then optimize our marketing mix using virtual, digital and traditional solutions while maintaining

a consistent customer experience across all channels to ensure that your message is heard above all the white noise. Finally, we provide the analytics necessary to show you the effectiveness of our multichannel campaign strategies. WHY WE DO IT

**Multichannel Marketing**

Multichannel marketing is the blending of different distribution and promotional channels for the purpose of Marketing. Distribution channels range from a retail storefront, a website, or a mail-order catalogue.. Multichannel marketing is about choice. The objective of the companies doing the marketing is to make it easy for a consumer to buy from them in whatever way is most appropriate.
