Play Piercing by Deborah Addington - Read Online

Play piercing, needle play, or recreational acupuncture is body piercing done for the purpose of enjoying the experience rather than producing a permanent body decoration. Needles, sharpened bones, or other tools used in play piercing are removed from the body when the episode is complete, allowing the wounds to heal.

Gabriele of Maxart Body Piercing in Rome, Italy (ModBlog superstar) just did this wild play piercing scene using a just massive collection of captive bead rings, which appear to form a tube through which is drawn the soul of a flower — I particularly like the touch of the threading being pulled through a cheek piercing!. There are about 120 rings in all in this scene, and they took about ...
