A master's degree (from Latin magister) is an academic degree awarded by universities or colleges upon completion of a course of study demonstrating mastery or a high-order overview of a specific field of study or area of professional practice. A master's degree normally requires previous study at the bachelor's level, either as a separate degree or as part of an integrated course.

An admission to practice law is acquired when a lawyer receives a license to practice law. [clarification needed] In jurisdictions with two types of lawyer, as with barristers and solicitors, barristers must gain admission to the bar whereas for solicitors there are distinct practising certificates. Becoming a lawyer is a widely varied process around the world.

Theosophy: Theosophy, occult movement originating in the 19th century with roots that can be traced to ancient Gnosticism and Neoplatonism. In modern times, theosophical views have been held by Rosicrucians and by speculative Freemasons. The New Age movement originated among independent theosophical groups in the 1970s and '80s.
